ABOUT THE ROUTE

Hop on your bike for Pride 2021! We've devised a ride combining LGBTQIA2+ relevant spaces and places with contemporary art installations throughout Vancouver. You'll start at Vanier Park, ride through downtown Vancouver and over to Commercial Street, and return to where you started along the False Creek Seawall. If you are interested in a hidden, frequently neglected, history of Vancouver, this ride is for you!

Many of the points of interest (POIs) and associated annotations during this ride come from Instagram via @queerheritagevan. While thanking them for sharing and posting images relating to the city's queer heritage and history, we encourage you to watch for the City of Vancouver's rainbow-coloured heritage plaques providing fascinating windows to the past. If you prefer, simply read the plaques' messaging in our annotations!

If you're a photographer who likes to post on social media, don't forget to tag your photos with #VanBiennale!

Bike Ride Safety

- Use bike lights and wear a helmet.
- Use designated bike lanes and routes, whenever possible.
- Ride at a leisurely pace and yield to pedestrians.

**Follow rules of the road. The Motor Vehicle Act and city bylaws apply to cyclists. **
