ABOUT THE ROUTE

Welcome to STEP INTO THE VORTEX, a self-guided walking tour! Strap on your best walking shoes, and let's get exploring. This tour will guide you to discover public art and history around False Creek, Olympic Village, and Chinatown. These neighborhoods are incredibly diverse and hold many secrets from Vancouver's past and intriguing clues about its future.

While you're walking, take some time to look past the defined points of interest. Think about the people and places who have defined, and continue to define, Vancouver. What hidden gems can you find? What stories would be on the B-side?

Don't forget to share your photos and videos and tag us with the **#VanBiennale** hashtag! We're looking forward to seeing your memories of this ride.
