ABOUT THE ROUTE

Take a journey with us as we reflect on the rich history of this land. Ride along the waterfront at Kitsilano beach, through Vanier park, on Granville Island, and along False Creek to discover something new about the history of Vancouver and the peoples that have made it home for generations.

We acknowledge we are on the ancestral territories of the x^wməθk^wəyəm (Musqueam), S^kwx^wú7mesh (Squamish), and Selilwiltulh (Tsleil-Waututh) Nations. We thank them for having cared for this land and look forward to working with them in partnership as we continue to build this great city together.

Bike Ride Safety

- Use bike lights and wear a helmet.
- Use designated bike lanes and routes, whenever possible.
- Ride at a leisurely pace and yield to pedestrians.
- When passing, ring your bell or yell "ON UR LEFT"

**Follow rules of the road. The Motor Vehicle Act and city bylaws apply to cyclists. **
